

THINK YOU RIGHT

Whethan

You think I'm fake, switching sides
Oh, now you think you're right
Outside lookin' in, she want me to let her in
Go back, I tend to reminisce, uh
Because

You think I'm fake, switching sides
Oh, now you think you're right
Outside lookin' in, she want me to let her in
Go back, I tend to reminisce, uh
Because I

My mama always told me that I
Reap what I sow
And I took your advice, and I
Leave it alone

And I found me a vice, it's called
"Being alone"
And I don't need you at all 'cause I been
Good on my own

And I still can't believe that you were starting to lie
And I been starting to think that maybe that's why

You think I'm fake, switching sides
Oh, now you think you're right
Outside lookin' in, she want me to let her in
Go back, I tend to reminisce, uh
Because

You think I'm fake, switching sides
Oh, now you think you're right
Outside lookin' in, she want me to let her in
Go back, I tend to reminisce, uh
Because I
