

# 4ever

Whigfield

La, la, la  
La, la, la, la, la, la, la

Hm, now  
There's love in the air  
It's here and it's where  
I'm singing along  
To the words from a song  
I really must sing  
I fall into spring  
I cling to the day  
Cause today is a lifetime

And I, I  
I wanna make it right

Keep my love inside your heart  
(And let me hold your hand real tight)  
Keep that thought inside your head now  
I'll keep your world together  
Should it fall apart?  
I'll love you forever

So now  
It's everywhere  
I'm singing along  
To the words in a song  
I really must sing  
I fall into swing  
I cling to the day  
Everyday is a lifeline

And everywhere that you are  
You're the one by far

Keep my love inside your heart  
(And let me hold your hand real tight)  
Keep that thought inside your head now  
I'll keep your world together  
Should it fall apart?  
I'll love you forever

So solid are stars into the night  
Millions of lights over us in the night sky  
Deep in love, it's you and I  
In love forever  
Love forever

Keep my love inside your heart  
(And let me hold you hand real tight)  
Keep that thought inside your head now  
(And let me know it's all about love)  
I'll keep your world together  
Should it fall apart  
I'll love you forever  
I'll love you forever  
(I'll love you forever)
