Dee Dee na na na

Saturday night, I feel the air
Is getting hot
Like you baby
I'll make you mine you know
I'll take you to the top
I'll drive you crazy
Saturday night, dance, I like
The way you move
Pretty baby
It's party time and not one
Minute we can lose
Be my baby

Saturday night, dance, I like
The way you move
Pretty baby
It's party time and not one
Minute we can lose
Be my baby - ooh ooh
Saturday - saturday
Saturday night...

....

De dee na na na

Well I've seen the light
And I'm getting out soon
Cause you've tired me
And my loving is through

I can't tell no lies
There is nothing left for you
Boy you're outta line

Now this life is mine
I can do it alone
And I'm feeling fine
Now I'm here
On my own

Don't you see my eyes
Are looking around for something new
Boy you're outta line

I can't live another day with you
With you
Another day with you
With you
Another day with you...

....

Another day....

I got me feelin

It Never was part of me
You got me reelin
Right into the heart of me
Don t keep me waitin
Cos I need your body tonight
I got me thinkin
My life it was endin
And when I was sinkin
I found me a friend and now
You got me singin
I need you beside me tonight - oh

When I think of you
I feel like flyin
Like a dream come true
Bad times are dying
When I think of you
I need your body tonight

Da ba da da - dee dee dee da da da
Da ba da da da - dee dee dee da da da
Da ba da da - I need your body tonight
I got me thinkin

My life it was endin
And I was sinkin
I found me a friend and now
You got me singin
I need you beside me tonight - oh...

Face to face
If I could have what I need
Then for sure all my love would be free

Kiss by kiss
I'm getting closer to your heart
And if this
Something good gotta start
Face to face
If I could say what I know
Then for sure all my loving would flow

Show me show me
Show me the love in your eyes
