

Buffalo

Whipping Boy

She said things to me
And here it comes again
Twisting in my head
Here it comes

He's freaking out
The only one
And I am, here it comes again
Twisting in my head
Here it comes

Buffalo roam inside (3x)
Inside, inside
Buffalo roam inside (3x)
Inside, inside

Here I come again
Twisting in my head
Here it comes

Here I come again
Twisting in my head
Here it comes

Buffalo roam inside (3x)
Inside, inside
Buffalo roam inside (3x)
Inside, inside
