

Bogus

Whirr

Others believe you are kind but I know that it's all a show
You don't know how to feel whenever you are told

Thus why you are so impatient and how
I know why you lack relation
The smile is warm but you are cold, are cold

Others believe you are kind but I know that it's all a show
You don't know how to feel whenever you are told

Thus why you are so impatient and how
I know why you lack relation
The smile is warm but you are cold, are cold, are cold
