

Feel

Whirr

Be real, wake me
Daydream every day
Tell me
Are we something you look forward to?

Be real
Show me how you feel
Be real
I feel the same

Hard to believe we don't have the time
It's on your side
Your words are empty
Mine are not enough

Be real
Show me how you feel
Be real
I feel the same

I don't want to feel blue
And I don't want to feel used
I don't want to feel blue
But I'll forget when I see you
