

Heavy

Whirr

Stuck on you, my mind is reeling
Fold onto the floor, the walls are peeling

Sneer at sleep up to the ceiling
Immerse myself into reverie

Stuck on you
Stuck on you

Heavy, dream consuming
No time to unwind, sleep will not soothe me

Sneer at sleep up to the ceiling
Immerse myself into reverie

Sneer at sleep up to the ceiling
Immerse myself into reverie
Sneer at sleep up to the ceiling
