

## Mellow

Whirr

Mellow with you  
I want you to  
Please keep this safe  
You know how I do  
What I feel now will continue  
What I have now I'm afraid to lose

I understand how it feels to  
Be adored when there is no one like you  
I can't ignore how the words sooth  
Spinning in my head when I'm with you

Mellow

Always between me and you  
I want you to  
Please keep this safe  
You know how I do  
What I feel now will continue  
What I have now I'm afraid to lose

Always between me and you
