

## Mining Town

## Whiskeytown

Said you came from a mining town  
They closed the mining down  
Said your daddy was a drinker  
He had a picture of Jesus on his sinker  
Maybe I  
Maybe I'm coming for you tonight  
This town's only five miles wide  
Look everywhere there's a road sign  
On tops and places to hide  
And cops sit around hungry  
Waitin' to dine  
Maybe I  
Maybe I'm coming for you tonight  
Maybe I  
Maybe I'm coming for you tonight  
Said you came from a mining town  
They closed the mining down  
Said your momma was a drinker  
She had a picture of Jesus on her sink and  
Maybe I  
Maybe I'm coming for you tonight  
Maybe I  
Maybe I'm coming for you tonight  
Maybe I  
Baby, I'm coming for you tonight
