

## Bess St.

## White Denim

You don't know where you're going  
You know you're not stayin' here  
Oh, you can last another minute  
Or you can last you through the year

You wanna own your confusion  
You wanna own your confusion  
You wanna do more amusin'  
You wanna own your confusion  
Why i-i-i  
Why i-i-ow  
Why i-i-i  
Why i-i-ow

Maybe you shoulda been a butcher  
You cut the pig for your friends  
You're seduced by ideas  
You break 'em all, you make 'em bend
