

# Cry for Freedom

White Lion

The fire's burnin'  
We lay our weapons down to rest  
This war ain't over  
'Till all the people will be free

Straight from our hearts we cry  
This war has stolen too many lives  
Give for sake of freedom we will die  
Our sons will carry on

Oh Lord we try we try  
To keep our dream alive  
And voices will be heard  
All around the world

So stand up and cry for freedom  
And keep the dream alive  
Stand up and cry for freedom  
And keep the dream alive

Now brothers in prison  
But no crime was ever done  
I call it racism  
Ashamed I face my fellow men

The children are taken away  
And families destroyed  
And millions have died from starvation  
We can't go on this way

Oh Lord we pray we pray  
That maybe soon someday  
The world will smile again  
And they shall be released

So stand up and cry for freedom  
And keep the dream alive  
Stand up and cry for freedom  
And keep the dream alive

Stand up and cry for freedom  
And keep the dream alive  
Stand up and cry for freedom  
And keep our dream alive

Yeah stand up and cry for freedom  
And keep the dream alive  
Stand up and cry for freedom  
And keep the dream alive

Stand up and cry for freedom  
And keep the dream alive  
Stand up and cry for freedom  
And let 'em know that we are here

Oh no we can't go on this way  
And we will never give up

Fighting for freedom  
Yeah and we will keep this dream alive
