Wait, wait, I never had a chance to love you, now I only wanna say I love you one more time...

wait just a moment before our love will die cause I must know the reason why we say goodbye wait just a moment and tell me why cause I can show you lovin' that you won't deny

I say wait and show your lovin' like it was before cause I won't let that feelin walk out through the door I say wait just a moment and try once more cause babe I need to hold you like I did before

so if you go away I know that I will follow cause there's a place inside my heart that tells me hold out, hold out, hold out

wait - wait
I never had a chance to love you
wait - wait
if only our love could show you
wait - wait
I never wanna be without you
wait - wait
no I never had a chance to love you
now I only wanna say I love you
one more time

wait - wait
I never had a chance to love you
wait - wait
if only our love could show you
wait - wait
I never wanna be without you
wait - wait
no I never had a chance to love you
now I only wanna say I love you
wait...
