

Ohh (Yeah)

White Reaper

I'm so out there
I'm so sorry
I'm just tired
Oh yeah

Times are scary
Times are bad
Times are sad, too
Oh yeah

She's so clued in
She has everything she wants
Oh yeah, oh yeah, oh yeah, oh yeah, oh!

Every time I go to bed
I get this feeling in my head
I feel like I am going nowhere
Everything feels dead

I'm so stupid
Why'd I do that?
It's all gone now
Oh yeah

All the doors are
Locked, it's hot
I'm staying here
Oh yeah

She's a genius
For her age
So beautiful
Oh yeah, oh yeah, oh yeah, oh yeah, oh!

Every time I go to bed
I get this feeling in my head
I feel like I am going nowhere
Everything feels dead

I'm so stupid
Why'd I do that?
It's all gone now
Oh yeah

All the doors are
Locked, it's hot
I'm staying here
Oh yeah

She's a genius
For her age
So beautiful
Oh yeah, oh yeah, oh yeah, oh yeah, oh!
