

## Love Sick

White Stripes

I'm walkin' through streets that are dead  
Walkin' with you in my head  
My feet are so tired  
And my brain is so wired  
And the clouds are weepin'  
Did I hear someone tell a lie  
Did I hear some long distant cry  
I spoke like a child  
You distoryed me with a smile  
While I was sleepin'  
Well I'm sick of love  
But I'm in the thick of it  
I'm sick of love  
Well I'm lovesick  
I see  
I see lovers in the meadow  
I see  
I see silhouettes in the window  
I watched till they're gone  
But they keep me hangin' on  
To their shadow  
Well I'm sick of love  
I wish I never met you  
This kind of love  
Oh, I'm trying to forget you  
Just don't know what to do  
I'd give anything to  
Be with you
