

Marathon of Dreams

White Wizzard

The jet fuel fires me off again
Turn the page new life begin
To stars I now ascend

City of angels back to find
The better place inside my mind
progress to a new time

I have to learn to see
find positivity
No more hate inside
On wings of light I glide
To find the inner self
Which is the ultimate wealth
To find the inner peace
Forgiveness and release
CHORUS)

RUNNING FREE RUNNING HIGH
MARATHON ACROSS THE SKY
NEVER WAVER FROM THE GOAL
ECLIPSE THE SUN INSIDE MY SOUL
WHEELS SPINNING IN MY MIND
RACE THE TREK HOPE TO FIND
ANOTHER DAY ANOTHER WAY
TO ACSEND FROM YESTERDAY

Emotions learning to control
Never down I'm
Hungry for the light inside my soul

Channel rainbows from the sun
Starlight guide
The marathon of dreams has just begun

I AM FOREVER
THE ENERGY OF LIFE INSIDE OF ME IS BURNING STRONG
NOW THROUGH THE NEVER
TRANSFORM MY SELF 10,000 WATTS INTO A MEGATRON
