Bmi As Bmi As
I know your eyes see me as being weak
Bmi As F# C#
And without any strength or wisdom to call my own
Bmi As Bmi As
I know the odds they don't favor me
Bmi As F# C#
But my friend have you forgotten I'm not alone

F# F#mi
The Father's here with me
A H
Already fighting the battles I can't see

Bmi As Bmi As
Remember David, so young and frail
Bmi As F# C#
Not afraid of fighting battles with simple things
Bmi As Bmi As
He stood against the great warrior
Bmi As F# C#
That fell and gave to victory her sweetest ring

F# F#mi
These pages are true
A H
And I believe what David already knew

If He goes before me

If He goes before me
