**Ami G C**

Sail the winds of time

**F**

See your life as it unwinds

**Ami G C**

Hold up the looking glass

**F G C**

Look inside and see the past

If not a word was said

Did they see Him in your head

If His name was never heard

Through your life did they wanna learn?

**F C F CG**

Oh, did His love show

**F C F C B**

Oh, did anybody really know?

**Ami G**

The only Jesus they'll ever see

**F G**

Is the One in you and me

**Ami G**

The only Jesus they will know

**F G F**

Is the One that lives inside our souls

**Ami G C F**

**Ami G C F G-C**

Been too much wasted time

Look in your heart, I'll look in mine

We all want what's real

But sometime's it's so hard to feel

Oh, I see the world out there

Oh, it takes someone who really cares

The only Jesus they'll ever see

Is the One in you and me

The only Jesus they will know

Is the One that lives inside

The only Jesus they'll ever see

Is the One in you and me

The only Jesus they will know

Is the One that lives inside our souls

**Ami G F G**

The only Jesus they'll ever see  
Is the One in you and me  
The only Jesus they will know  
Is the One that lives inside

The only Jesus they'll ever see  
Is the One in you and me  
The only Jesus they will know  
Is the One that lives inside our souls

Not what we say but what we do  
Are the widow's where your life shines through
