

# Always The Same

Whitesnake

First you say you will  
Then you say you won't  
How can I go on this way  
You're everything I want

You tell me you love me  
But I feel alone  
Only you can truly give me  
Shelter from the storm

Now it's raining  
Raining in my heart  
It's always the same  
Baby, when we're apart  
Raining in my heart

It's been one of those days  
When it all goes wrong  
Once again I find I'm singing  
The same sad old song

Now it's raining  
Raining in my heart  
It's always the same  
Baby, when we're apart  
Raining in my heart

Something here in my heart  
Tells me you're to blame  
I can't go on like this  
It's a crying shame

Now it's raining  
Raining in my heart  
It's always the same  
Baby, when we're apart

Now it's raining  
Raining in my heart  
It's always the same  
Baby, when we're apart  
It's raining in my heart

First you say you will  
Then you say you won't  
How can I go on this way  
You're everything I want

Now it's raining  
Raining in my heart  
It's always the same  
Baby, when we're apart

Now it's raining  
Raining in my heart  
It's always the same  
Baby, when we're apart

It's always the same  
Always the same  
It's always the same
