

# Can't Go On

Whitesnake

**B8**

I've been feeling sentimental,

**B4**

In a melancholy way,

**B8**

Blues siting on my shoulder,

**C#9                      A8**

Getting heavier every day...

**B8**

Staring into space,

**B4**

One thing on my mind,

**B8**

I've been trying to drown The thought of you

**C#9                      A8**

By drinking too much wine...

**F#8**

Then my imagination

**E8**

Starts running wild,

**A8                      A9**

I snap my fingers

**E4                      E**

And you're there by my side...

**B8    A8    E**

Can't go on without your love,

**B8    A8    E**

There's no song without your love...

**F#8                      As**

Ain't no reason, ain't no rhyme,

**A8                      A9**

Without your love

**E4                      E**

I'll go out of my mind...

(SOLO)

**B8**

Been getting too lazy,

**B4**

Letting myself go,

**B8**

Feeling like a refugee

**C#9                      A8**

No one cares for anymore...

**B8**

Endless lonely days,

**B4**

I just try to get through,

**B8**

And there's no escape, Even when I sleep,

**C#9                      A8**

'cause all I dream is you...
