I never thought you could
Okay, what about a minor at, "I never thought you could
I never thought you could"
What, here?
After the second time of that [*stimming*]
No, the next one [*stimming*]
Oh, that would work, that would work
Just the enversion of it, like a minor of it (Yeah)
That's great, that's great, I like that lick too
[*stimming*] (Oh, yeah)
(That's good) That's the best, yeah, we better get that hook

Now, you got, dah-dah, then you're going, dah-dah
Dah-dah, da-um, dah-dah-dum
Bam (That's it)
Da-dum, da-dam-dam, ba-dum, ga-ga-ga-ga-dum, ga-ga-ga-dum
Botch, that's it
Right, what we're gonna call that one?
