

# Get Up

Whitesnake

Let's spend the night together  
Baby, you & me  
We'll set the night on fire  
Just you wait & see

Get up  
I wanna see you get down  
Your Bad Girl reputation  
Is the talk of the town

So, let's spend the night together  
Baby, you & me  
We'll set the night on fire  
Just you wait & see  
C'mon, now, Baby  
You've heard it all before  
But, I'll keep on knocking  
'Til you open up your door

Get Up  
Get Up  
I wanna see you get down  
Get Up  
I wanna see get up

I wanna see you get down

Red lips & fingertips  
You make my blood run hot  
When you shake those hips

So, let's spend the night together  
Baby, you & me  
We'll set the night on fire  
Just you wait & see  
C'mon, now, Baby  
You've heard it all before  
But, I'll keep on knocking  
'Til you open up your door

Get Up  
Get Up  
I wanna see you get down  
Get Up  
I wanna see get up

I wanna see you get down

So, let's spend the night together  
Baby, you & me  
We'll set the night on fire  
Just you wait & see

Get up  
I wanna see you get down  
Your Bad Girl reputation  
Is the talk of the town

So, let's spend the night together  
Baby, you & me  
We'll set the night on fire  
Just you wait & see  
C'mon, now, Baby  
You've heard it all before  
But, I'll keep on knocking  
'Til you open up your door

Get Up  
I wanna see you get up  
I wanna see you get down  
Get Up  
I wanna see you get up  
I wanna see get down

Get Up!
