

Slide It In

Whitesnake

You talk too much,
Never saying what's on your mind,
It's written on your face,
An' in the words you hide behind
I know what you want,
I can see what you're looking for,
I know what you want from me,
An' I'm gonna give you more

I'm gonna slide it in
Right to the top,
Slide it in,
I ain't never gonna stop
Slide it in,
Right to the top,
I'm gonna slide it in, slide it in,
Slide it, in baby...

Sometimes you seem
Just like a stranger to me,
But, all the games you play
Make it so easy to see
You're looking for love,
Tho' you try to deny,
The things you put me through
Tell me what I've got to do to you

I'm gonna slide it in,
Right to the top,
Slide it in,
I ain't never gonna stop
Slide it in,
Right to the top,
I'm gonna slide it in, slide it in...

You talk too much,
Always treating me so unkind,
I know what I've got to do,
To get me some peace of mind

I'm gonna slide it in,
Right to the top,
Slide it in,
I ain't never gonna stop
Slide it in,
Right to the top,
I'm gonna slide it in, slide it in,
Slide it in,
Right to the top
Slide it in,
I ain't never gonna stop
Slide it in,
Right to the top,
I'm gonna slide it in, slide it in, slide it,
Slide it in, slide it in,
Right to the top, baby...
