

## Around Here

Whitey Morgan and the 78's

The life of the party  
The life of this house  
What little light that I had left  
Inside this heart of mine  
Just went out

No "I love you"  
And there was no "Goodbye"  
She just grabbed the keys in silence, turned the engine  
That was it, she was flyin'  
Yeah she was flyin'

Now she's somewhere out there high on champagne glasses  
Carryin' on like she didn't do me wrong  
I'm down here on the floor, walls collapsin'  
I can't even drink her memory gone  
Ain't it hard to move on when you're down  
To the last of last night's beer  
It's the bottom of the bottle around here

I'm gonna get up, but girl it's gonna take time  
I keep reachin' up and reachin' out  
Lovin' her and hatin' her in my mind  
Hell I can't decide

Now she's somewhere out there high on champagne glasses  
Carryin' on like she didn't do me wrong  
I'm down here on the floor, walls collapsin'  
I can't even drink her memory gone  
Ain't it hard to move on when you're down  
To the last of last night's beer  
It's the bottom of the bottle around here

She's somewhere out there high on champagne glasses  
Dancin' while the band plays all night long  
I'm mad and drunk and still ain't sure what happened  
Why she'd go and do a good man wrong  
Ain't it hard to move on when you're down  
To the last of last night's beer  
It's the bottom of the bottle around here

She's somewhere out there high on champagne glasses  
Dancin' while the band plays cheatin' songs  
I'm down here on the floor, walls collapsin'
