

Gonna Hurry (As Slow As I Can)

Whitney

You found someone else
And you're sending me away
Oh, I hate so badly but I know
I know I can't stay

You tell me I must go
And I'll try to understand
'Cause I'm gonna leave you
I'm gonna hurry
Just, just as slow as I can

But I'm gonna cry, cry myself to death
Crying, crying over you
Well I feel sorry, so sorry for myself
But I've got to leave, I know it's true

That little ring you gave to me
I took it, took it from my hands
'Cause I'm gonna leave you
And I'm gonna hurry
Just, just as slow as I can
