SELF

Whitney

Show me how you live with yourself
Show me how you lived with yourself
Show me how you lived with yourself
Show me how you live with yourself

This year's halfway gone
I know the feeling all too well
I'm still up at dawn
Don't wanna be with no one else
Where does my heart belong?

Show me how you live with yourself
Show me how you lived with yourself
Show me how you lived with yourself
Show me how you live with yourself
