

TWIRL

Whitney

Let's take a ride
Dance with the moon
Turn back the time
There's nothing to lose
I know this life
Only brings bad news
But I'm gonna try
To hold on to you

Ooh, ooh
Ooh, ooh

I see the fire
I feel it too
The heart always finds
Something to do
We know this life
Only brings bad news
But I'm gonna try
To dance with the moon

Ooh, ooh
Ooh, ooh
Ooh, ooh
Ooh, ooh
