

How Dare You

Whodini

How dare you!...

As we proceed to rock the house
We would like to explain what this is all about
You see it's all about Adam, it's all about Eve
It's not all about one, but seven seas
Because I was born to rap and you were born to listen
We were all created different so there will be nothin' missing
That's why you could never live the life I live
How dare you [?] stop trying kid!
How dare you stare in my face
And have the nerve to think that you're taking my place
'Cause what I left behind is no longer mind
It's something I threw away and you happened to find (how dare you!)
One more thing that I'd like to add
The life you're tryin' to live I already had
And when you open your eyes you'll be surprised to see
That you could never be me

How dare you!...

How dare you compare the love we shared
To a messed up relationship you had last year
Who told you the old should be like new?
And who gave you the right to compare the two?
Well whoever it was, they must've been wrong
And for people like you, we sing this song

How dare you! (How dare you)
How dare you! (How dare you)

How dare you try to change my life
Who are you to tell me who should I live like?
We got the butcher, the baker, the candlestick maker
But see we all come from one creator
The birds and the bees make different sounds
And that's what makes the whole world go 'round
So why you want me to be like somebody else
When I'm so damn good at being myself

How dare you!...

I heard you was told that we can roll
There's something else that you shoulda been told
You see rollin's bold, but Whodini's bolder
We not only rollin' see we roll over
Everything that gets in our way
Because we're heading for the top and we plan to stay
You see Grandmaster Dee he cuts unique
And Larry-Lar, he's the king of the beat
Now Ecstasy is to the left of me
And Whodini's rockin' on like this can't you see
The next time you open up your fan club letter
It just might say that Whodini rocks better!

How dare you!...
