

We Are Whodini

Whodini

We are Whodini
We are Whodini
We are Whodini
We are Whodini
...

We've got a style of our own, on the microphone
And when it comes to rocking, we stand alone
I'm the rapper Jalil and I'm ready to rock
And once I get started I'm hard to stop
I've got the magical touch to make you shake your butt
Grandmaster Dee, the king of the cut
So party people in the house make no mistake
Jalil and Ecstasy are inside the place. And

We are Whodini
We are Whodini
We are Whodini
We are Whodini

We are Whodini
We are Whodini
We are Whodini
We are Whodini

I am the man with a thousand rhymes
Couldn't say all of them in one week's time
So I'll say some here and say some there
And I'll still be rhyming this time next year
That's why I keep my rhymes under lock and key
Cause nobody knows my rhymes except me
We're the originator, not the imitator
No one rocks better, no one rocks greater

We are Whodini
We are Whodini
We are Whodini
We are Whodini

Now we're one for all, all for one
Your first class ticket to having fun
We're gonna give you what we've got
And baby that's plenty
Cause never have so few, rocked so many
Hotter than fire, too young to retire
With the special gift to take it one step higher
Peaches and cream, the American dream
Protected and respected on the Disco scene
Climbing that ladder we're taking the crown
Cause you just can't keep a good man down
We deserve the part from the very start
And everything we do is straight from our heart
We're the Pied Pipers of the 1980's
Our Disco show will freak and drive you crazy
As you all well know, we've got the gusto
I'm telling you the crew Magnifico
