Fogg

WHY?

I'm Robert Fogg but they all call me Fogg
I've got the sweetest spirit and love to goof off

I was born one warm September in 1989, ohh
And spent the young years I remember
In Cincinat-oh-hi-ohh

I'm Robert Fogg but they just call me Fogg
Oh I believe in Jesus, believe in God

So if they thin awayed
I left the state and flew to where it's warmer
To be an engineer of aerospace at U.S. California

I'm Robert Fogg, but please call me Fogg
Call me Fogg
Just plain Fogg

(Thank you)
