

## Murmurer

WHY?

Coo Coo Cooper Conley Currier  
Called Murmurer on OK Cupid  
Dude's a constant worrier  
And weren't it for his nervous nature  
He'd by now be engaged to the lovely blonde Marave

But instead he'll make a film about their breakup  
That's how broken up he feels  
He's got lots to learn  
And so much time to make up  
They were going on five years  
Yeah, He controls the camera  
But he could not control his fears  
And so he lost what was dear

Called Murmurer on OK Cupid  
Dude's a constant worrier  
And weren't it for his anxious stupor  
He'd by now be engaged to the lovely blonde Marave

He's still super close with Miss Marave  
Though with lone life he copes okay  
Cooper hopes in some small way  
To one day call her wife

And weren't it for his neurotic haze
