

Once Shy

WHY?

Rock
You know I got that
Rock
You know I got that
Rock

I wanna get unaddicted (Rock)
I wanna be convicted (Rock)
Wait, that didn't sound right
Consider that fiction (Rock)
I wanna live with conviction (Rock)
Once shy, twice bitten (Rock)
Michigan is a mitten
Ohio's a blade (You know I got that)
I don't ever wanna hesitate
I don't wanna have to masturbate
I wanna live with conviction
In silence and diction
