

Reason

WHY?

Give me a reason

Give me a reason to come there
Give me a reason, I'll leave right now
Give me a reason to come there
Give me a reason

Texture don't show
I've been waiting for all night to go to you
Texture don't show
I've been carving my elbows, I might just take flight

Give me a reason to go there
Give me a reason, I'll leave right now
Give me a reason to come there
Give me a reason
Give me a reason

Give me a, give me a
Give me a, give me a
(A reason)
Give me a, give me a
Give me a, give me a
(A reason)
Give me a, give me a
Give me a, give me a
(A reason)
Give me a, give me a
Give me a, give me a
(A reason)
