

## Rock Candy

WHY?

Secaf slrig ytterp, gnidaf yromem

And you're left alone on a plane  
Coming home from a place  
With a name and a day  
And one heavy heart hemorrhaging

Gotta cultivate that rock candy  
Rock candy  
Rock candy

Stand forever at the edge of hunger  
On the threshold of your desires, linger  
Sugar forming on a string in water  
Don't give away the thing  
When it's only just a string

You know I got that rock candy on the line  
Sugar, I'm on fire  
Friday, I got that rock candy on the line  
Honey, I'm on fire  
Saturday, I got that rock candy on the line  
You know, I'm on fire  
Sunday, I got that rock candy on the line  
I'm on fire  
Monday, I got that  
(Rock candy on the line)  
Tuesday, I got that  
(Rock candy on the line)  
Wednesday, I got that  
(Rock candy on the line)  
Thursday, I got that  
(Rock candy on the life, I'm on fire)  
Friday, I got that  
Someday I'll get that  
(I'm on fire, I'm on fire, rock candy)  
Ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh, ooh  
Oooh, ooh, ooh, ooh
