

Choppa My Man...

Wicca Phase Springs Eternal

Choppa, my man, are you still breathin'?
Baby's sweet
Kissin' my hand
Tell me nothin'
Choppa, my man, are you still breathin'?
Kissin' my hand...
Do you remember?
Lyin' on graves
Wake my EVA
Silicon phase
18 angels
Darkest savior
Wake my EVA
Silicon phase
Touch your shoulder
Grab your legs
Cry my EVA
Kissin' my name
Cry my EVA
Digital slave
Lyin' on graves
Silicon phase
Choppa, my man, are you still breathin'?
Baby's sweet
Kissin' my hand
Tell me nothin'
Choppa, my man
Cry my EVA
Kissin' my hand...
