

I Am The Edge

Wicca Phase Springs Eternal

In one mile, turn left on Garden Avenue
It's not personal, it's strictly business
Brody

Here I am reborn in the night
I'm haunting everyone I know
My shadow shines in other ways
I'm being distant and it shows
Yeah I know
First I paint the room green, then I go
I put my matte black Polo jacket on before I go
You think you know me? Baby I act like you don't
In the back with whom I'm always with, GBC alone
I've been driving down riverbed road
Portal through the pines baby I know where to go
I'm alone, I'm the 12th sign (here I am again)
I'm aligned, I'm the final sign
You think you're on the edge
I am the edge
(I'm alone, I'm the 12th sign)
(I'm aligned, I'm the final sign)
(I'm alone, I'm the 12th sign)
(I'm aligned, I'm the final sign)
(I'm alone, I'm the 12th sign)
(I'm aligned, I'm the final sign)
You think you're on the edge

I got a lot on my mind
I got a lot on my plate
I just took way more than I should of that was a stupid mistake
I keep on seein' shit that I don't wanna say
(Don't know if it's fake I gotta hope and pray)
I'm 'bouta head out west
Just wanna go back east
You was on the mic so pressed
Talking that make believe
Cover it up just like maybelline
I gotta get it from A to B
Don't care what you saying to me
Man under it all you're the same as me

Misery

Black boots, black sweater, I'm yours
Who am I, seven pieces gang, shadow of the known
I am here and I'm not
I'm with you, on my own
GBC, misery
I am yours and alone
Baby, I've been driving down riverbed road
Portal through the pines, baby, I know where to go
Seven steps to the rising tide
I am here on the mountainside
You think you're on the edge
I am the edge
(Seven steps to the rising tide
I am here and I'm yours tonight)

Seven steps to the rising tide
I am here and I'm yours tonight
You think you're on the edge
I am the edge
Seven steps to the rising tide
I am here and I'm yours tonight
Seven steps to the rising tide
I am here and I'm yours tonight
You think you're on the edge
I am the edge
You think you're on the edge
I am the edge
(I'm alone, I'm the 12th sign)
(I'm aligned, I'm the final sign)
You think you're on the edge
I am the edge
