

# I Reach Out To You In Song

Wicca Phase Springs Eternal

I feel my hands numb  
What's the point of beds if you destroy all of that?  
Seven gang, seven marks you left on my skin  
I've got a friend, but a friend is all that she is

She has her secrets  
And I've mine, we're matched up when it comes to lies  
Let me in, let me off when I've reddened eyes  
Don't be surprised  
Don't be surprised, it's not on you, it's on I and I  
And I would laugh at all of it, if I was sure it wasn't mine  
Something will break  
Somethin' will break, just not my heart and just not tonight  
She has her secrets  
And I've mine, we're matched up when it comes to lies

And I can't  
Even feel  
Any love  
Anymore

Passin' on, I reach out to you in song, passin' on  
Passin' on, passin' on  
Passin' on, passin' on
