

Lights On Paper

Wicca Phase Springs Eternal

Lights on paper, new vacations come my way
You cut through me, like you're pushin' me away
Call my phone up, call my phone up, what's up, baby
I try to talk to you, but don't know what to say
Lights on paper, new vacations come my way
You cut through me, like you're pushin' me away
Call my phone up call my phone up what's up, baby
I try to talk to you but don't know what to say
And for my last nights, I don't want to be alone
I know I'm so in pain, it's so hard not to love me
I know you wish that I'd stay back. so we can kick it
But I'm here now, open up the door for me
Lights on paper, new vacations come my way
Call my phone up, call my phone up, what's up, baby

It's the only thing that's on my mind
'Cause my baby's out like workin' every night
I've gotta find new sentiments that I can ride
I've gotta find a different way to spend my time
Tell me what you see when you see me expensive
This is love that manifests in your undressin'
Is it too out of the question to leave flowers on your dresser
You keep pushin' me away, baby, I find that impressive

It's an icy way to stop my breath
She wants me dead
Don't reply and kill the mentions then

Lights on paper, new vacations come my way
You cut through me, like you're pushin' me away
Call my phone up, call my phone up, what's up, baby
I try to talk to you, but don't know what to say
Lights on paper, new vacations come my way
You cut through me, like you're pushin' me away
Call my phone up call my phone up what's up, baby
I try to talk to you but don't know what to say
And for my last nights, I don't want to be alone
I know I'm so in pain, it's so hard not to love me
I know you wish that I'd stay back, so we can kick it
But I'm here now, open up the door for me
Lights on paper, new vacations come my way
Call my phone up, call my phone up, what's up, baby
