

Outside Yr Window

Wicca Phase Springs Eternal

Wrapped in heavy arms, yeah, I paid for that
Comin' for your heart, but I'm worlds away
Settle in my ways, buy another pack
I'm the icy baby
Yeah, I'll drive you crazy
See me at the show like I'm so conceited
Like baby, I deserve more
Lapse into a phase like I'm so defeated
But you're a runner, babe
Fuckin' stunnin', babe

You were my keeper there...
I saw you deeper there...

I'm bleedin' for your hot silhouette and so
I'm the hellversion kissin' on your neck and so
I got my 'rari from Bones
And we were so raw yeah yeah, I know
And we were so funny when we took it slow
Take it up with Audrey I'ma let it go
I got my salary in check

And I was like, "Babe, kiss up on my neck"
And I was like, "Yeah, bae, I know I'm deep..."
And I was like, "Yeah, bae, I'm goin' deep"
And I was like, "Yeah, babe, take it off"
And you were just coolin' in your room
And I was like, "Ya, bae, I'm comin' soon..."
You were my keeper there...
I saw you deeper there...
