

Halloween Face

Widespread Panic

Austin Power teeth
Frida Kahlo brow
Looney Tooney eyes
We slip on our costumes now
Who, who do you, who is we
I'm gonna wear your face on Halloween
Then you'll be as scared as me

Secourer les Os
Shake
Shake the bone

Boris Karloff's stagger
Lon Chaney's howl
Dr. Jekyll's Hyde
We love our movie scars
Who, who do you, who is we
I'm gonna wear your face on Halloween
Then you'll be as scared as me

Secourer les Os
Shake
Shake the bone

Fettucini hair
Cupcake chests
Fried chicken thighs
What a prize to ingest
Who do you, and who is we
Lick my lips at the feast of the dead
So delicious to me

Secourer les Os
Shake, shake, shake
Oh, shake the bone
Shake, oh shake the bone
Secourer les Os
