

# Up All Night

Widespread Panic

Well I can't sleep  
I've been up all night  
Life here in Savanna the day street moan  
and that wet smell of sulfur from the cobblestone

I've been up all night  
been up all night

And I dream of heaven and i feel like hell  
the children in their church clothes Sunday morning bells  
and my head is spinning and taking a toll

(2x)

Been up all night  
Been up all night  
(up all night, up all night)

The best thing about New Years is the Christmas lights  
Hiding in the day, exposed at night  
Sunrise not sunset Georgia sky

I've been up all night  
We've been out all night  
I've been out all night

Up all night  
We've been up all night  
Been up all night  
Been up all night
