### Widowmaker

Never thought much about right or wrong  
Never thought much about what I've done  
Never think much about what I'll do  
Don't give a damn about when I'm thought.

Am I evil?  
Girl i don't know  
Am I evil?  
Sent from below  
Am I evil?  
Born to be damned  
Power crazed  
Too depraved  
Who says I am?

Am I evil?

Ask me why and I won't know  
Ask me where and I won't show  
Ask me when and I will lie  
Ask me who spit in your eye.

Am I evil?  
What's it to you?  
Am I evil?  
Compared to who?  
Am I evil?  
Death, where's thy sting?  
How you dare  
Point and stare  
Who made you king?
