Evil

Long way from home Can't sleep at all Rang your telephone Something ain't right Evil's going on Well I'm just warning you brother You better watch your happy home.

Long way from home Can't sleep at all Feels like a mule's kicking In your stall And that's evil Evil is in your heart Well I'm just warning you brother You better watch your happy home Watch your happy home.

Long way from home Can't sleep at night Feels like another mules kicking Something just ain't right And that's evil Evil is going on Well I'm a warning you brother Watch your happy home.
