

Limbs

Widowspeak

Drifting in forever haze
What to do with everyday
What to do with working limbs
So he told me, "sink or swim"

I did what he said
Went underwater instead
Everything looks the same
Everything looks the same

Look for land
But can't be found
I miss solid ground

What to do
Couldn't win
So he told me, "sink or swim"

I did what he said
Went underwater instead
Everything looks the same
Everything looks the same
