

Right On

Widowspeak

Easy won't do it
There's no time for it
Thought about cutting out
Fighting the current

It was so powerful
I thought I fought the pull
Tide got me like
Am I doing it right?

Right on
Right on
Right on
Right on

Someone could move you
I thought I was moving too
If the past won't get me
Then the current will
We are still
Still moving
Still moving
Right on

Right on
Right on
Right on
Right on
Right on
Right on
Right on
