

Unwind

Widowspeak

I left it alone
Why're you wound up so tight?
With cinnamon, sloe
Won't look you square in the eyes, I'm weaving
Spinning like a tape that's warped, but you still hang on to it

You're free, now you've come undone from me
You're free, now you've come undone from me
Unwind it

You're loosening up
I had to learn to let go
All the loose ends
You tied them up, neat like a bow, I'm folding
Spinning like tape that's warped, but you still hang on to it

You're free, now you've come undone from me
You're free, now you've come undone from me
Ooh, ooh-ooh-ooh
Ooh, ooh-ooh-ooh
Ooh, ooh-ooh-ooh
Ooh, ooh-ooh-ooh, ooh ooh-ooh

I left it alone
Why're you wound up so tight?
With cinnamon, sloe
Won't look you square in the eyes, I'm weaving
Unwind it
