

Euphoria

wifisfuneral

Uh, uh, uh, oh yeah, yeah, yeah, alright
Uh, uh, yeah
Alright

I am lost in my self-reflections
I feel as if my soul wasn't lost then I'd be a legend
I pissed the passion, pain outta champagne, don't smile
Fuck it I'm not sane, screws falling out my brain
With my life, I can't maintain how I use you as some glue to fix
My pieces when I break, now I'm eating on a Xan
Just to change the mood for the day, you always knew I had potential
If I put these drugs away, so much hate inside my heart
I'm like fuck it, why I'm awake? You always told me never let go
Couldn't look me in my face, tell me, "Look, could you tell me
What the resentment is?" Been cursed since the Christening
How you give the heartless a purpose? You must be heaven-sent
Better yet devil-sent, I'm in hell, I can't let you in
If you need me just say a prayer, I'm lost inside euphoria
I'm not even holding ya, I can't catch my grip up on this cliff
Memories distorted, eh, I been medicated for months, days on a
tasteful binge
How you claim you hate me but play our way, you're too devilish
Slit my wrist for your scorn, baby you made a devil wish
Slit my wrist for your scorn, baby you made a devil wish
Slit my wrist for your scorn, baby you made a
