

In The Function Freestyle

wifisfuneral

I just walked into the function with a thick red bitch
Yeah I got that .45 on my extended clip now
Aye okay that f*ck nigga talkin' shit wanna talk that shit now
Aye okay I rock out with that gang gang shit now
Ayy, I just walked into the function with a super thick real bitch (aye wahh
)
I just walked into the function with extended clips

Ayy, I got the chopper here for my protection
Aye my deadly weapon lethal weapon Danny Glover
Got a f*ckin' leave like 2
Bitches, I'm gon' write her then my shawty
We gon' slide up next to she got a choppa
Then she yoppin finger f*ck that yoppa
Now theirs time up
Causing drama what you want my nigga
Want a problem
Money counter, I don't need a money bank
I solved it, ayy
f*ck a credit card, running up a check ain't nothing
Running up a check ain't nothing
Ayy, okay, like blue faced hundreds solve her problem when she sad
She gon' let me f*ck that's why she call me by her dad
Her dad hella mad because I got like hella cash
Stuff spazz, I act a azz
I might f*ck [?]

I just walked into the function with a thick red bitch now
Aye I got that .45 on my hip extended clip now
Aye okay that f*ck nigga talking shit, won't talk that shit now

Aye okay I rock out with that gang shit now
I just walked into the function with a super thick red bitch, wow
I just walked into the function with extended clips wow aye

Got a shorty on my left
Ride with shorty 'til my death
All these niggas wanna talk but can't no nigga come and flex
I might hit him in his jaw
See if he still wanna talk boy
Words don't mean shit if you can't f*cking walk that walk boy
I be with my dogs, pit bulls, they gon' bark boy
Money falling off of trees, ooh, I think it's fall boy
Shorty crawling on her knees, ooh, I think I'm tall boy
And I be in LA shooting like I'm Chris Paul
Tell a lil' hater to move
I feel like I'm Shaq, breaking hooves
Shorty, she say that I'm ill
Because I stick to my roots
Tell a lil' hater to move
I feel like I'm Shaq, breaking hooves
Shorty, she say that I'm ill
Because I stick to my roots
