Hey Cris, fuck you

Tease myself, got to tag myself  
Cause I can't take none (ayy)  
Need prescription, where my doctor, we gon' shake some  
I've been itching for a fix, come get this weight off me  
I've been itching for a fix, come get this weight off me

Okay deep, I can't fall asleep  
Creep, out my dreams don't speak on we  
Lost my breath can't fucking breath  
Look at that young boy walk, deceased  
Too many bands in the bag, on fleek, I can't rap I tax for feats  
Hopped out the foreign, I flex on scene  
Who? (ayy), You (ayy)  
That what these bands would do (uh), smoking Crash Bandicoot  
Soot, selling them grams at school, he cross yo back that's a stab to  
you  
Cut out the grass, how they act with you  
Cut off medusa, my past removed  
I killed myself with no chance for who  
That's an eye for an eye got a tax for dude  
Wait, I fell asleep and I woke up to jets  
Far from the east with my shit to finesse  
Run up a knot, blew a pound in the west  
My biggest haters still know I'm the best  
I'm off the shits, got a cooler with tech  
Now I move slow, 'til I'm on with my death  
I'm off the shits, got a cooler with tech  
Now I move slow, 'til I'm on with my
