

Breaking All the Rules

Wig Wam

I'm heavy metal, loaded on battery
I bang my head to x rated songs
My studs and leather makes me a mean machine
But if mama finds out what her pumpkin's all about
I'm grounded for life and a day

Breaking all the rules
Evil is my name
Breaking all the rules in every way I can
I fake the showers and cheat in
Chemistry Breaking all the rules in secrecy

My nails are dirty, my room's a catastrophe
I'm just as bad as can be
My sister hates me for reading her diary
She's threatening to tell all my buddies
From hell That I still sleep with my teddy bear

Breaking all the rules
Evil is my name
Breaking all the rules in every way I can
I fake the showers and cheat in
Chemistry Breaking all the rules in secrecy

Yeah! Metal!
Put on the gear

I'm gonna get you with my METAL!

Let's break the rules
Let's break the rules
Let's break the rules
Let's break the rules

Breaking all the rules
Evil is my name
Breaking all the rules in every way I can
I fake the showers and cheat in
Chemistry Breaking all the rules in secrecy

Breaking all the rules
Evil is my name
Breaking all the rules in every way I can
I fake the showers and cheat in
Chemistry Breaking all the rules in secrecy
Breaking all the rules in secrecy
