

## The Act

Wiki

How should I act today?  
What do I have to say?  
To get myself through this all while I act ok  
I ain't gonna flat out say I'm finna pass away  
But I don't wanna act no more I don't mean to act no way

Got the same perspective  
I can't explain my methods  
Any more than I can my message  
All I do complain on my records  
Thought I knew the game, all my efforts  
Shit just ain't the same any vestige  
Of some hope  
Usually resorts in some dope or drank all the better  
I'm warning you we was born together  
But that don't mean we can't be torn apart  
Mind and body worn and weathered  
Once you gone forever  
That be torn apart, severed  
All together  
All the pain all the pleasure  
The sun the rain all the weather  
All that left ya  
Well I left em  
And I'm gone now all that's left of  
Me is talk now  
What went wrong now

Couldn't sett...

How should I act today?  
What do I have to say?  
To get myself through this all while I act ok  
I ain't gonna flat out say I'm finna pass away  
But I don't wanna act no more I don't mean to act no way
